Re: Sunshine Law Request

Dear Ms. Good:

I am responding on behalf of the Custodian of Records for the Office of the Governor to your Missouri Open Meetings and Records ("Sunshine Law") request, which I received on July 31, 2017. This response is being submitted within the three-day period required by the Sunshine Law, § 610.010 *et seq.*, RSMo.

Your request was for:

. . . information regarding the abortion regulations that were passed during a recent special session . . . [you] would like to know the lobbyists who spearheaded the creation of this special session (and – I'm assuming – who also attended the private ceremony).

As a starting point, for purposes of providing access to records under the Sunshine Law, your e-mail does not identify any specific documents for which the Custodian of Records to search.

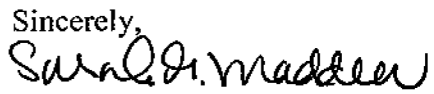

However, the following information may be of assistance to you: General information regarding Senate Bill (SB) 5 may be found here: http://www.senate.mo.gov/17info/BTS_Web/Bill.aspx?SessionType=S2&BillID=69407391; and the bill text may be found here: <http://www.senate.mo.gov/17info/pdf-bill/S2/tat/SB5.pdf>. The individuals who testified for and against the bill at the House Committee hearing may be found in this summary: <http://www.house.mo.gov/billtracking/bills174/sumpdf/SB0005c.pdf>.

Finally, a list of the individuals who attended the bill signing on July 26, 2017, includes, but is not limited to, the following: Reps. Barnes, DeGroot, Hannah Kelly and Walker; Sens. Kehoe, Koenig, Onder and Wallingford; Sam Lee, Mike Hoey, Tyler McClay and Patty Skain; Dr. Randall

Williams (Missouri Department of Health and Senior Services); and members of the Governor's Office staff. Please note that no official list of attendants was recorded.

I hope this information is of assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Sarah G. Madden". The signature is fluid and cursive, with the first name "Sarah" being the most prominent.

Sarah G. Madden
Special Counsel
